Communications and Partner Manager

Strong experience in Finance and ICT

## MY ELEVATOR PITCH

Multiskilled and experienced manager in partner relationships, IT service environment and finance processes in software solutions, financial services and telecommunications sectors. My last successful role was to kick off international marketing and sales activities for a First North listed company. I enjoy developing positive brands for SME's, politicians and non-profit organisations. My communication skills (fluent English, Finnish, Dutch), innovative personality and entrepreneurship experience are best utilised in growth companies.
